

Registration Change Instructions

Anytime after the re-registration period (September) residents may update their information with the Management Office by submitting a registration change form (below). Reasons for submitting this form may include:

- Adding an occupant – must submit a new or amended lease
- Adding or deleting a vehicle

After submitting the registration change form residents will be issued, if applicable:

- Parking Permit
- Activity Card
- Mailbox Label

Reminder: The parking permit and activity card expires every year on September 30. Before that date, a pre-printed registration form will be sent to each unit for residents to review and return for processing.

If you have any questions regarding registration, please call the office.
