

PARKSIDE NEIGHBORS HELPING NEIGHBORS

The Parkside Village is now assisting **ALL PARKSIDE** neighbors, in addition to Village members (picking up prescriptions, grocery items, etc.) For assistance, please call **202-770-8852** or email parksidevillagemd@gmail.com

In response to the current pandemic, an informal group of Parkside resident volunteers have organized to supplement the services of the Parkside Village to assist the most vulnerable. We anticipate the need for additional volunteers. Please email parksidecoronavolunteers@outlook.com with the Subject "volunteer" if you have any questions or are interested in joining this group.

If you are aware of a Parkside neighbor who might find themselves in need during these unusual times, think about checking in to find out if they have assistance and necessary contact information.

Your neighbors are organized to help if..

You need a prescription or Groceries picked up

Towing of non-permitted vehicles will continue to be suspended until the management office can be opened again.

PEACEFUL COEXISTENCE

In a short period of time life has changed around the world. With the implementation of stay-at-home orders for the month and possibly longer, Parkside residents are home 24/7. Some residents tolerate noise better than others, and the construction of the buildings does not provide for sound proof living. In a large and diverse community, everyone is experiencing changes in their schedules. The majority of residents are at home. Noise issues are bound to increase exponentially.

Attitudes and technology have changed over many years and often people no longer know their neighbors. In this uncertain time, please practice patience, tolerance and kindness. In times of crisis it is essential to work together.

Parkside Condominium - 10520 Montrose Avenue Bethesda, MD 20814
