

RECYCLING: WHAT GOES WHERE

ROUND YELLOW
BINS

SQUARE BLUE
BINS

ROUND BLUE BINS

GREY TRASH BINS

Recyclables (including paper) are picked up on WEDNESDAY.
Regular household trash is picked up MONDAY, WEDNESDAY, & FRIDAY.

◆◆◆MIXED PAPER, NEWSPAPER, and CARDBOARD◆◆◆

Examples of RECYCLABLE paper: newspapers, magazines, empty cereal (remove the liner) and other boxes (but NOT pizza boxes, which should go in regular household trash), junk mail, hard/paperback books, phone books, computer paper; beverage containers such as milk or juice cartons; frozen food boxes.

Examples of UNRECYCLABLE paper: carbon paper; foil gift wrap; paper towels; paper napkins; tissues; paper or cardboard contaminated with paint, chemicals or food; packing materials (Styrofoam or plastic bubbles and peanuts).

NEWSPAPERS & MIXED PAPER go in the **YELLOW BINS** (and, in some buildings, the square blue bins).

◆◆◆PLASTIC◆◆◆ GLASS BOTTLES & JARS (CLEAR & COLORED)◆◆◆
◆◆◆ALUMINUM & BI-METAL CANS◆◆◆

PLASTICS: Can be recycled: **** yogurt, cottage cheese, margarine, and sour cream containers & lids**
**** peanut butter and mayonnaise jars & lids** **** detergent and ice cream pails & lids** **** deli tubs & lids**
**** (plastic) flower and plant pots** **** (plastic) beverage cups** **** (plastic) bottles with necks.** First, **EMPTY AND RINSE** containers and lids. Then put them loose in the **ROUND BLUE BINS**.

NO plastic bags or plastic wrap. NO Styrofoam containers. NO plastic toys or gadgets. NO microwave plates. NO automotive-product containers.

GLASS: Examples of recyclables: bottles that contained soft drinks, beer, juice, or wine; jars that contained spaghetti sauce, mayonnaise, or pickles. **EMPTY AND RINSE**, then put loose in the **ROUND BLUE BINS**.

NO other glass is recyclable. NO mirror or window glass, no light bulbs or drinking glasses, no dinnerware, cookware, pottery, ceramics. **NO BROKEN GLASS.**

ALUMINUM & BI-METAL (steel/tin) CANS and FOIL PRODUCTS: All cans and foil are recyclable. Non-hazardous aerosol cans (cooking oil, whipped cream, deodorant, hair spray, shaving cream, etc.) **EMPTY & RINSE** them, then put loose in **ROUND BLUE BINS**. Labels are ok. If a lid is attached, push it into the can.

NO household metal items (pots and pans), aluminum siding, furniture, or automotive parts.

◆◆◆REGULAR HOUSEHOLD TRASH◆◆◆

Household garbage that cannot be put in the garbage disposal or recycled must be put in plastic bags that are then sealed and put inside the **GREY TRASH BINS**. If you are not sure if an item is recyclable, put it in the regular trash—because at the recycling center, any load that has been contaminated by an improperly recycled item will be turned away, and the entire load will be thrown into the trash instead of being recycled.
